As a Credit Intermediary the firm can arrange Insurance Premium Finance for our clients.
(a list of product producers is available on request)

This firm does not have a "tied" relationship with any institution that would compromise our ability to offer you independent advice and choice.

Remuneration and Fees:-

Abbey Murphy Insurance is remunerated by a professional fee for the initial work activity and time spent in seeking the best terms, advice, product and product producer for your specific needs. A fee is also charged for the activity involved in the renewal of the policy and also any alteration that may take place during and at termination of a policy. A scale of fees is unremitted. We are usually remunerated by commission received from the product producers for the work involved in placing an order and finalising the product with them on your behalf. (Some product producers do not pay a commission)
